

# Florida Medicaid Reform Evaluation

R. Paul Duncan, Ph.D.

Chair  
Department of  
Health Services Research,  
Management & Policy

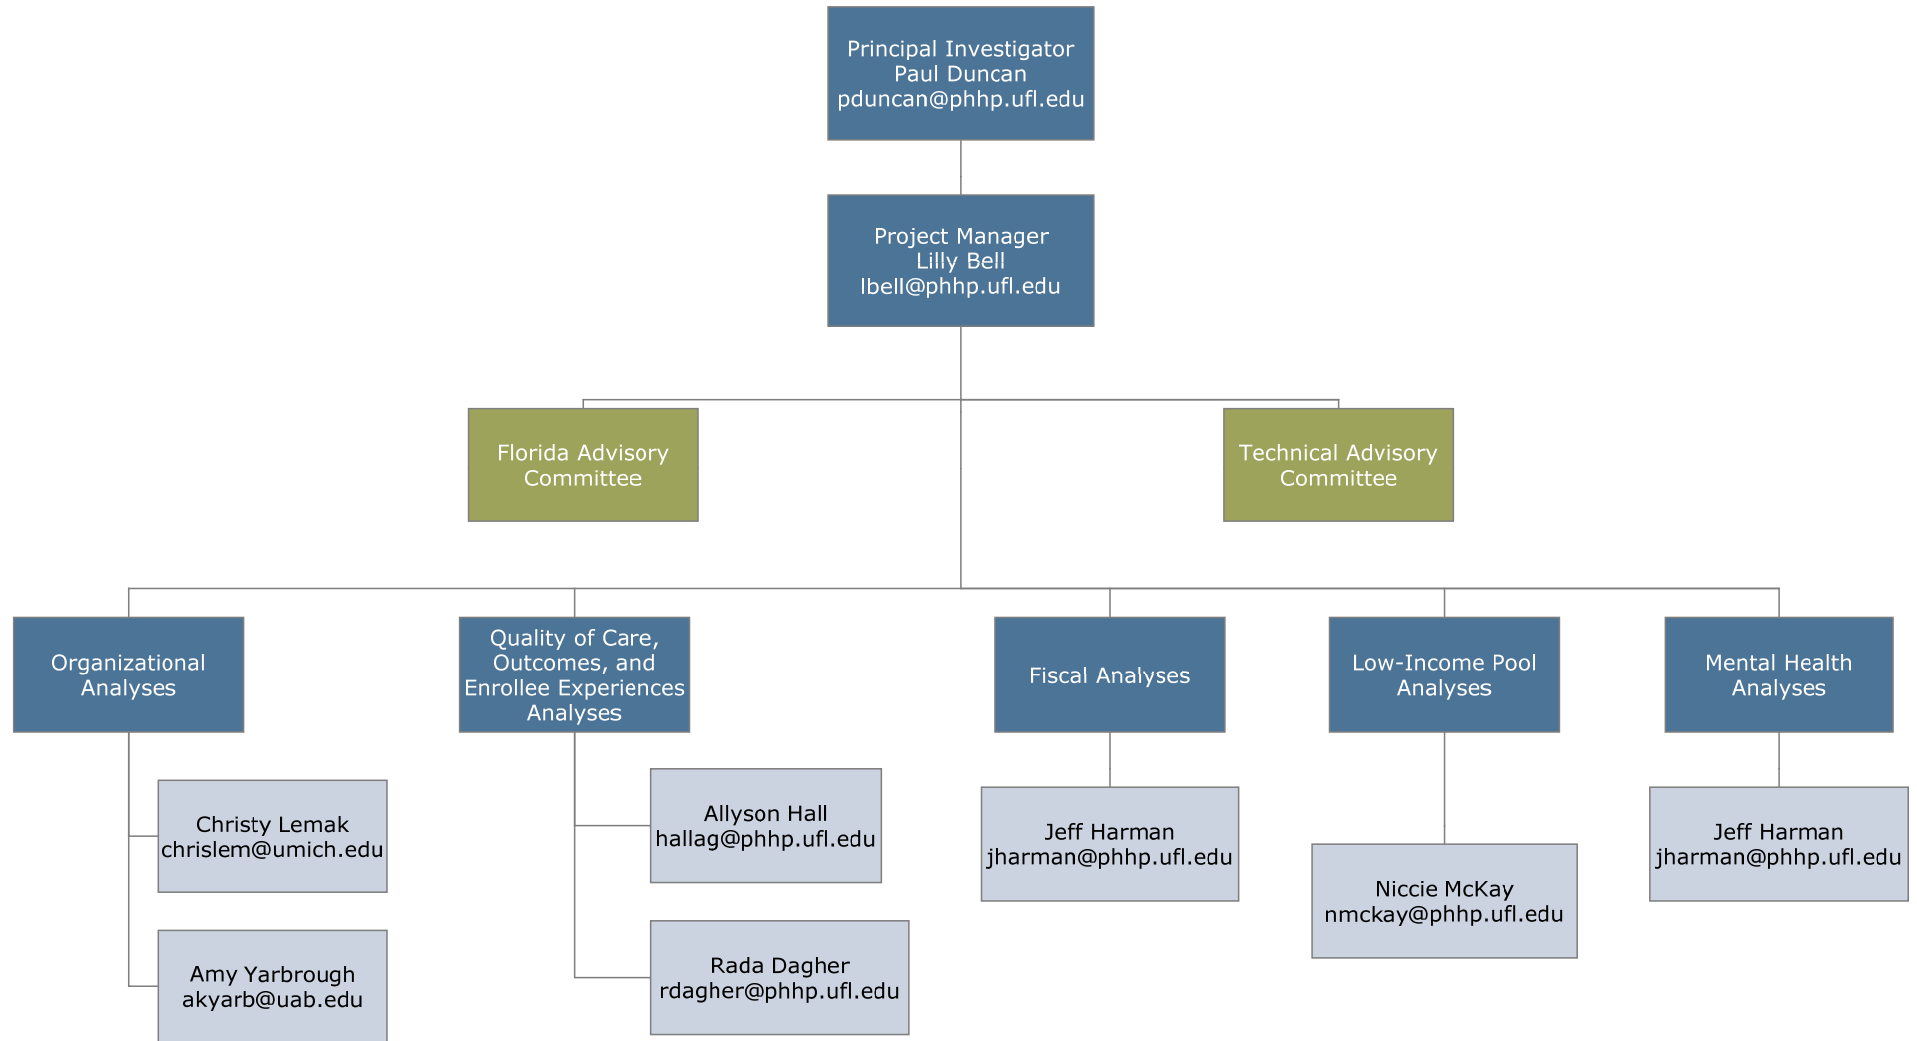

University of Florida

Senate Health Regulation Committee

Tallahassee, FL  
February 4, 2009

# Evaluating Medicaid Reform in Florida: MED027 UF Evaluation Team

# What's Working?

- MC organization participation/contracts
- Basic program implementation
- Choices and Choice Counseling
- Earning Enhanced Benefits Rewards
- Risk adjusted payments

# What's Not Working?

- Opt Out
- Ability to hold plans responsible on a case by case basis
- Spending Enhanced Benefits Rewards
- Enrollee access to information on drug formularies
- Enrollee access to meaningful panel membership/composition information
- Performance measures/HEDIS data

# What Do We Know?

- Lower expenditures in year 01
- No dramatic differences in enrollee satisfaction
- Concerns about the impact of health and general literacy on plan selection

# What Don't We Know?

- Quality/quantity of care being delivered
- Sustainability of the initial savings
- Level of competition among plans/impact of competition
- Impact on mental health services
- Impact of EBR on enrollees' behaviors or ultimately their health
